Working to improve the public's health

ePortfolio Update – 20 July 2016

This evening the new ePortfolio system was deployed in the live environment. We will now begin work creating accounts both for Registrars who started training in August 2015 and their Educational Supervisors.

We are on schedule to enable the first users to log in on Friday 22 July. We'll provide another communication then.

Kind regards,
FPH Education & Training Team
