

FPH Projects Scheme Form

Project proposal

If a registrar has already been identified please complete the fields under “Registrar Details” and then complete the remaining fields. If this is a project for a registrar who needs to be identified via the TPDs (training programme directors) please leave these fields blank. This completed form should be submitted to educ@fph.org.uk for assessment.

Registrars wishing to apply for this project should email the following to educ@fph.org.uk

- 1) Expression of Interest
- 2) Up to date CV
- 3) An email from their TPD stating support for their application

Applications will only be considered once all these documents are received.

Name of person completing form

| | |
|---|------------------------|
| Name | Christina Gray |
| Contact details; email and phone number | CZGray@somerset.gov.uk |
| Date | 6/04/2018 |

Registrar Details (Only complete where a Registrar has been identified)

| | |
|--|--|
| Registrar name; email and phone number | |
| Name of registrar's GMC/FPH approved training location as base | |
| Base location Educational Supervisor name and workplace | |
| Name of base location TPD | |

Project Details

| | |
|--|---|
| Time period for the project (when and how many days per week) | <p>This is negotiable and we are open to proposals.</p> <p>We anticipate that the project would take four months full time or six – nine months part time</p> |
| Title and Brief Description of Project | <p>This is an opportunity to undertake a project at national level focused on the quality of Drug Treatment Services in England and Wales.</p> <p>Concerns were raised in a paper presented to the Academy of Royal Colleges about an ‘epidemic’ of drug related deaths. Royal College of Psychiatry have raised other concerns about the training pipeline for ‘Addiction specialists’.</p> <p>The FPH President John Middleton convened a joint working group to explore the issue further. There was strong consensus that local authorities were well placed to commission drug treatment services; but that continued enforced budget cuts was likely to be a challenge, whichever sector commissioned or delivered services.</p> <p>The project task is to building on the LGA sector led improvement programme, to develop a framework to support Sector Led Improvement for Drug and Alcohol Services.</p> <p>This will involve</p> <ul style="list-style-type: none"> • Designing a methodological approach to the task • Convening a suitable reference group to support and validate the work • Consideration of existing evidence and reports by PHE and ADPH/LGA and other • Identification of and engagement with key stakeholders • Developing a methodology which will support quality comparisons – including benchmarking • A review of training roles and workforce for substance use – including opportunities for people wanting to work in addiction specialties as clinicians <p>The project will is jointly sponsored by FPH (Christina Gray) and ADHP (Jim McManus). Christina and Jim will provide supervision and oversight for the project.</p> <p>Christina Gray will be the main point of contact and Project Supervisor.</p> |
| Please state the main learning outcomes from the PH curriculum. | <p>In depth knowledge of the Drug and Alcohol treatment services.</p> <p>Experience of partnership management at national level</p> <p>Experience of developing a methodology to support Public Health</p> |

| | |
|---|--|
| | <p>service improvement.</p> <p>Experience of managing sensitive and profound inter -professional perspectives and differences.</p> |
| Likely competencies that will be addressed | <p>Key Area 1: Use of public health intelligence to survey and assess a population's health and wellbeing</p> <p>1.1 1.2 1.3 1.4 1.5 1.6</p> <p>Key Area 2: Assessing the evidence of effectiveness of interventions, programmes and services intended to improve the health or wellbeing of individuals or populations</p> <p>2.1 2.2 2.3 2.4 2.7</p> <p>Key Area 3: Policy and strategy development and implementation</p> <p>3.1 3.2 3.3 3.5</p> <p>Key Area 4: Strategic leadership and collaborative working for health</p> <p>4.1 4.2 4.3 4.6 4.7 4.8</p> <p>Key Area 5: Health Improvement, Determinants of Health, and Health Communication</p> <p>5.1 5.2 5.6</p> <p>Key Area 7: Health and Care Public Health</p> <p>7.1 7.2 7.3 7.4 7.5 7.6 7.8</p> |
| Who will be the Activity Supervisor and what experience do they have of public health and public health training? | <p>The project will be jointly managed by Christina Gray, Chair FPH Public Mental Health Group and Jim McManus, ADPH national lead for Substance Misuse.</p> <p>Jim McManus is DPH, Hertfordshire and Christina is a Consultant in Public Health at Somerset County Council.</p> <p>Both are registered and experienced Educational Supervisors.</p> |
| Will there be accommodation/travel costs associated with this project? If so who would be expected to cover this cost? | <p>The project can be conducted remotely, and the StR will continue to utilise own IT system. Occasional hot desking will be available through FPH and at Hertfordshire and Somerset if this proves useful.</p> |
| Please describe how the project will work in practice covering relevant elements of the checklist below | <p>It is proposed that the Registrar will remain with current ES during the project.</p> <p>ES and TPD will need to approve and support the Registrars project application.</p> <p>Regular 3 way project supervisor/ ES supervisory teleconference</p> |

| | |
|--|--|
| | <p>will support the project.</p> <p>Academic Supervisor input to also to be considered, with view to supporting publication / dissemination of findings.</p> |
|--|--|

Activity Projects learning checklist

(Note- this is a guide only and other criteria may be used for specific projects or training locations) Please record if you think you have met the following criteria and if not please provide details about why the criteria will not be met.

| Criteria | |
|---|---------------------|
| The base location (Only complete were Registrar has been identified) | |
| Will the Registrar have a GMC approved training location as their base? | |
| Has the Registrar completed the Part B OSPHE exam? | |
| Will the Registrar have a named Educational Supervisor in this training location who is prepared to continue as ES during the FPH project? | |
| Has the TPD for the registrar seen and approved the project? | |
| Will the base location Educational Supervisor see the project and agree that it meets a learning need for the registrar? | |
| The project based training location | |
| Is there an Activity supervisor who has had appropriate training and development and is working towards / fulfilled the GMC standards for trainers? | Yes |
| Is it clear how will the Activity supervisor and base location Educational Supervisor communicate about the StR's progress? | Yes |
| Will accommodation be appropriate for the StR? | N/A |
| The project | |
| Does the project brief describe clear learning outcomes? | Yes |
| Have the Public Health competencies been clearly identified? | Yes |
| How long will the project last? | 4 – 9 Months |
| How many days per week will this require in the project location? | n/a |
| How many days per week will this project require in the base location? | n/a |
| Does the project complement existing work the registrar is undertaking at their base location? | |
| Has the project been advertised via the TPDs? If not please explain any mitigating circumstances: | Yes |
