PLEASE PROVIDE DETAILS OF THE UNIQUE OPPORTUNITIES THIS PLACEMENT OFFER TO SPECIALTY REGISTRARS?

This placement offers the opportunity to work within the newly created Office for Health Improvement and Disparities (Dept of Health and Social Care), to influence policy on healthy ageing. The UK population is increasingly ageing and this shift in demography presents many opportunities for healthy ageing, as well as challenges in terms of demands on the health and social care system.

You will work closely with the Healthy Ageing Team to pull together data and evidence from regional, national and international areas, to build a case for action that will influence policy and strategies to impact on the health outcomes of older people. This work will have a focus on reducing inequalities and closing the gap in healthy life expectancy.

Your work will involve liaison within Department of Health and Social Care, as well as with other government departments, leading academics, national charities and other relevant stakeholders.

There is scope within the broad programme of work to be flexible on the deliverables required, depending on your interests and training requirements.

**EQUAL ACCESS ARRANGEMENTS** (Please explain how you would ensure this placement is potentially available to all suitable trainees)

This placement is potentially available to all suitable trainees.

The Department of Health set of values is as follows:

- We are inclusive
- We constantly improve

- We challenge
- We are agile

Flexible working arrangements are supported and enabled within the Healthy Ageing Team to take account of caring responsibilities.

The Healthy Ageing Team is primarily London based (the office is in Victoria Street), and home working is an integral part of how we work. As at March 2022, we are spending one day a week in the London office. Video conferencing is used for home and office working.
