*** FPH Reasonable Adjustments**

FPH is continuing to trial a schedule for reasonable adjustments to enable candidates to receive an earlier decision if they wish to. There are now two deadlines for submitting Reasonable Adjustment paperwork. The early deadline is on 11 December and the later, second submission deadline is as normal, with an absolute deadline for receiving paperwork on the application closing date.

Please note that both the professional report and TPD/employer letter must be sent to the Exams Coordinator by this deadline for an adjustment to be considered.

The FPH Reasonable Adjustment Policy states that adjustment offers will be finalised three weeks before the exam as an absolute deadline. Where possible, adjustment offer outcomes will be sent by 15 January 2026 for early submissions and 5 February 2026 for final deadline submissions. Wherever possible, the Exams Coordinator will be in touch sooner than this date.

Please do not hesitate to contact the Diplomat Exams Coordinator or the FPH Exams team should you have any queries at all.
