

Guidance for candidates on how to book a place for the FPH Final Membership Exam

Candidates are now only able to book their FPH exams through the new FPH Members Portal.

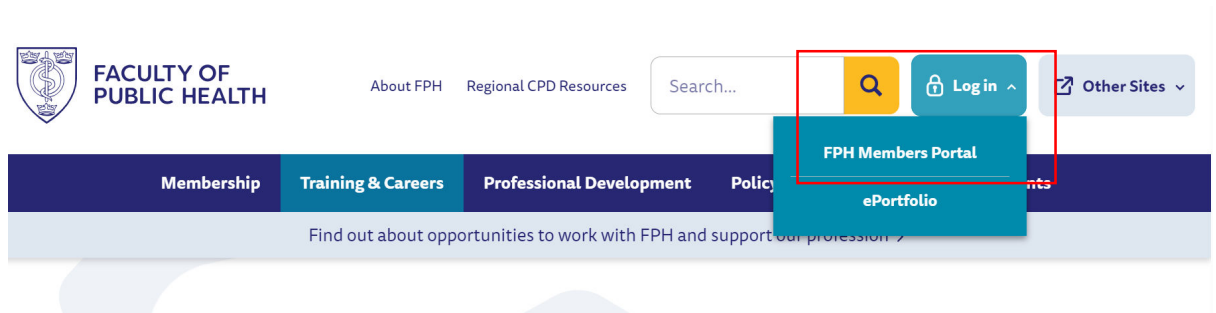

This document will guide you through the process for booking and also covers how to apply for a **reasonable adjustment** within the portal. Please read this carefully as time adjustment requests require the correct number of spaces to be booked depending on the candidate's choice for how the additional time is allocated (front-loaded or split across two sessions).

To do this please complete the following steps:

1. **Navigate to the FPH website.**

[Faculty of Public Health Home - Faculty of Public Health \(fph.org.uk\)](https://www.fph.org.uk)

2. Click on '**Log in**' at the top right of the screen and then click on '**FPH Members Portal**'.

3. Please login using your existing email and password. An access code will then be sent to your email.

The email address used should be the email address with which you are normally contacted by the Faculty.

Please note that you will be sent a new access code every time that you log in.

If you have previously received an adjustment for the Diplomat Exam, please refer to the Adjustment Policy for further guidance on the documentation that needs to be supplied for the Final Membership Exam. [*Ann Thomas Prize](#)

This award is presented to the specialty registrar, based in Wales, with the highest annual score in the MFPH examination on their first attempt. It was introduced by Dr Ann Thomas, who joined FPH in 1982 and worked as a consultant in public health in Wales. She had a keen interest in supporting new trainees who entered the specialty and on her death in October 2004 kindly left a sum of money to be invested to provide a prize linked to an FPH examination for trainees based in Wales.

There is no application process attached to this award. It is awarded automatically to the eligible specialty registrar. *Candidates outside of the Wales Deanery who are Welsh should indicate their eligibility for this award on their application via the MyFPH Members Portal.*
